About Millennium Star Foundation

Founded in the year 2013, the Millennium Star Foundation is one of the eminent organizations engaged in providing a better future and development to the students, youths and teens in various fields.

Education is the basis of development; thus, we provide better education to the students belonging to economically weak sections in order to enhance their as well as the future of the country.

Girl gives a shape to this civilization; hence, our organization works hard to provide better health and education to them.

Our organization is dedicated to work for the overall improvement of poor students, youths & teens in various fields including education, sanitation, health, sports, cultural & educational events, scholarships, human rights and other major issues.

We make the underprivileged poor students, youths & teens capable so that they can compete and come at-par with this fast growing community.

Our Vision:

The Millennium Star Foundation seeks a world of hope, tolerance and social justice, where poverty has been overcome and people live in dignity and security. We will be known everywhere for our unshakable commitment to the dignity of people. We seek a society which celebrates diversity, where rights are secured, citizenship realized, and human potential fulfilled for all.

Our Mission:

We facilitate the empowerment of students, youths, teens, women and girls from poor and marginalized communities in the fight to overcome poverty, exclusion and social injustice.

The Millennium Star Foundation is committed to ensuring that all of our young people get the best supports and opportunities that we can give them.

About Merit Go

- ✓ A platform which nourish out-of-box thinking beyond curriculum and helps new generation to grow faster.
- ✓ Merit Go is to excel the merit of the students and make them perform well in prestigious competitive exams, i.e. IAS, IIT-JEE, NEET, CAT etc.
- ✓ Significant for parents and schools who can closely watch the performance of their younger generation amongst the thousands and thus can provide effective guidance in the needful areas to help they achieve what they are striving for.
- ✓ Every participant will get a certificate of participation. District level top rank holders of their respective groups will be awarded with exciting prizes.
- ✓ District level top rank holders will be felicitated in an event to be organized by Millennium Star Foundation. Date, time & location will be informed via official SMS/WhatsApp/Call/E-mail.

Message from President's Desk

Sushant Sai Sundaram, President, Millennium Star Foundation

Millennium Star Foundation, founded with the inspiration of my father Dr. Prafulla Kumar Sinha, a very well known doctor & social worker. It is a vision of young enthusiastic youths, passionate about building a developed, educated & healthy society.

These youths have been well educated & many of them are pursuing their education in the premier institutes of the Country, while some are employed by fortune companies. These youths are dedicated to work for the underprivileged, needful and deserving section of the society. Millennium Star Foundation, the dream for these youths, thus came in to existence in 2016, registered under

Indian Trust Act., 1882, with its working area all over India. We work in the field of health, education, scholarships, women empowerment, sports & cultural activities, rehabilitation, human rights etc. One of the main focus area is to empower the youths.

The Foundation is laid to develop a participatory and peaceful society based on strong democratic values, to be the face changer for the women empowerment, health, livelihood generation, leaders of the skill development sector & to be the organization of

people's choice whenever they need philanthropy. The young and energetic Team of the Millennium Stars is strongly committed to serve the society in every mean.

Millennium Star Foundation

A non-profit organization Registered under Indian Trust Act, 1882 (Govt, of India)
